

Sales Trainer Assistant

- OneOnOne English is an edtech startup based in Vietnam looking to disrupt English language instruction in South East Asia. OneOnOne English provides online ESL courses to children aged 4-12 by connecting young learners with North American teachers in virtual classrooms designed to optimize learning. OneOnOne English's vision is to become a leading education platform that provides quality language instruction and enrichment in SEA.
- At OneOnOne English we're looking for a **Sales Trainer Assistant**. The type of people we are looking for are people who know how to build and iterate on things quickly, enjoy fast-paced environments, loads of responsibility, can operate in ambiguity, and are overall super cool dudes/dudettes.

Job description

As a Sales Trainer Assistant you will:

- Supporting training on OoO sales method.
- Conduct follow-up training and coaching to support new sales hires.
- Participate in the design and building of curriculum (classroom and online) that build mastery required to improve performance in sales including product knowledge and sales skills for new and existing sales team members.
- Work with Sales Training Coaching Manager on all timelines and commitments as well as communication roll out plans.
- Conduct knowledge and skill assessments measuring the accuracy and effectiveness of programs, resources and tools.
- Initiate changes based on feedback and/or changes in process.
- Other admin tasks related to daily process

Requirements

Education/Experience:

- BA degree in a related field required
- English speaking and writing required
- 1 year minimum working as a sales executive
- Experience with e-learning tools and methods

Attributes of our ideal candidate:

- Passionate in learning, training and building new things
- Willing to change and go out of self comfort zone

Benefit

- Remuneration commensurate with market and candidate's qualifications
- Being part of a hip, cool start-up
- Changing the education landscape in SE Asia
- A nice office on Truong Dinh (D3)
- and more!

Why you'll love working here

- Friendly and funny colleagues (and free snacks!)
- Opportunities for promotion, career development, and mentorship
- Dynamic, fast-paced, professional, fun and exciting start-up work environment
